We also send out a list that has all the important dates on for you to do your yearly planning.

Each learner is placed in a class according to his/her age group. We follow an educational learning program for "ECD learning sites". The program is adapted to suite every age group. Our classes are bilingual (English and Afrikaans). We have a maximum of 15 learners per class.

Our Teachers:

The teachers know how important it is for children to be taught in a loving and safe environment. They are skilled in what they do. We also know how frightening it can be for a child in a new environment that is why your child comes first in every thing we do at school.

We have a new theme every 2 weeks and also follow a daily program
