General Information

School:

We are a small school with about 30 learners, from 2 months up to Grade R. We are open from Mondays to Fridays - 06H30 till 17H30. At the beginning of each year or when you enroll your child you will receive a stationery list, a toiletry list of what each child needs for the year. We also send out a list that has all the important dates on for you to do your yearly planning.

Menu:

We provide porridge at 08h00 every morning and a cooked meal at 12h00. The children must bring their own snacks for 10h00 and 15h00. We also give them 2 cold drinks per day; babies must bring their own milk every day.

School / Public holidays:

We are open during school holidays, but are closed in December (dates will be provided).

We are closed on all public holidays (any other dates will be provided on the list of important dates).

Transport:

There is no transport available. Our bus is only for outing purposes.

Classes:

Each learner is placed in a class according to his/her age group. We follow an educational learning program for "ECD learning sites". The program is adapted to suite every age group. Our classes are bilingual (English and Afrikaans). We have a maximum of 15 learners per class.

Teachers:

The teachers know how important it is for children to be taught in a loving and safe environment. They are skilled in what they do. We also know how frightening it can be for a child in a new environment that is why your child comes first in every thing we do at school.

Learning Program:

We have a new theme every 2 weeks and also follow a daily program (see attachment A).

School fees:

All our fees are payable upfront and on the first day of each month. A once of registration fee is also payable at the day of registration. None of the fees are refundable. A 30 day written notice must be given if you want to take your child out of the school. You are liable for the monthly fees even if the child is absent from school.
